

Lake Champlain  
CHOCOLATES®

## Giving Tuesday was created in 2012 as a simple idea: a day that encourages people to do good.

Inspired by the movement, we created the **12 Days of Giving**. Help your customers count down the holidays, while encouraging them to give back to their community. This year we're asking our customers to help a neighbor in need and donate to COTS (Committee of Temporary Shelter). Join us in making a world of difference with chocolate!

### 12 DAYS OF GIVING CHOCOLATE SQUARES

12 piece / Assorted

1X519-012001-1

## DID YOU KNOW?

A gourmet chocolate collection inspired by the Vermont farmer

## Wilson "Snowflake" Bentley

"Snowflake Bentley" took the first ever photomicrograph of an ice crystal during a snowstorm on January 15th, 1885.

Throughout the years he took over 400 images of snowflakes. His extensive research on snowflakes gained new insights into the formation of precipitation, and thus earned him the title of America's First Cloud Physicist.
